

## **PRAYER FOR A LOST OBJECT**

This prayer is a segula (good luck) for finding lost objects.

Some say to give tzedaka (charity) in the denomination of 70, such as 70 cents or 70 dollars,  
& donate it to a charity for poor scholars in Eretz Yisrael.

### **ENGLISH**

Rabbi Binyamin said:

All are presumed blind until the Holy One, blessed be He, enlightens their eyes.  
We know this from the verse: "G-d opened her eyes and she went and filled  
up the water skin."

Say three times: G-d of Meir answer me!

In the merit of the charity which I am donating for the sake of the soul of  
Rabbi Meir the Miracle Worker  
may I find \_\_\_\_\_ which I have lost.

After the prayer you should look for your lost object
